Baseboards

*Choice of flat surface option* →

## Flat Surface Options

**1) The FULL dust:** we dust and remove all items, dust surfaces, and replace items.

**2) The QUICK dust:** we dust what is readily available, moving and dusting items as is convenient, or simply dusting around them.

**3) The NO dust:** you can probably guess! We skip dusting completely if it's not a priority to you.

*FYI: We do not remove books from shelves, no matter what dusting option you choose*
